1. For every \$1000.00 in catering orders you place, you will receive 50 bonus dollars in your account. That's basically 5% back on every order!
2. Your account will be tracked by us and your rewards balance will show on every invoice you receive.
3. Rewards are awarded in increments of \$50.00. (\$50.00 goes into your account every time you hit \$1000.00 in catering orders.) Again, we will track this. We will keep a running total of your orders, and each time you hit \$1000.00 we will add 50 bonus dollars to your account.
4. Every time we invoice you, you're reward balance will be shown on your invoice.
5. Bonus dollars may be used towards the purchase of any future catering for your company; whether it be your department or another. Use the rewards how you wish.
6. Rewards may also be used for personally catering! This means if you have \$500.00 in your account and want to host a nice little party for friends at your home, you can!
7. Your account will receive 50 bonus dollars for every \$1000.00 in catering orders FOR ANY NEW CUSTOMER YOU RECOMMEND US TO! Simply have that customer indicate to us that they were recommended to us by you and you start earning rewards every time they order from us. You will receive bonus rewards every time they order for the first year that customer does business with us!
